Latest information on our website

*New House Farm, Knightcote,*

*Southam, Leamington Spa Warwickshire, CV47 2EQ.*

We are just five minutes from junction 12 of the M40.

The shortest route is to use a single track road, turn right off the M40 motorway at Junction 12, then directly right again (0.1 mile), onto the single track road, Knightcote Bottoms (1.7 miles), then right again (0.4 miles). On entering the village and the 30mph limit, with the playground on the left, turn right onto the farm drive. Look for the 2C plate on the post. Follow the drive until you see the club house barn in front of you, drive around the building to find the entrance to the club rooms.

To avoid the single track road, turn right off the motorway at junction 12 towards Bishops Itchington (1.7 miles). On reaching Bishops Itchington turn right for Knightcote (2.1 mile). On entering the village turn right onto the farm drive as above.

Please do not attempt to use the entrance to the Farm Holiday Cottages.

## What we do

We have groups modelling in the following scales:  
N Gauge, 2mm, OO, P4, EM & O gauge.

We attend exhibitions with the following layouts:

The Leamington & Warwick Model Railway Society

The Leamington & Warwick Model  
Railway Society has members from  
Warwickshire, Oxfordshire and  
much further afield.

We have seven club layouts in  
various stages of construction in N,  
OO, EM, P4 and O gauges with club  
layouts regularly appearing on the  
exhibition circuit and in the  
modelling press.

We have an exhibition every year.  
Next year's is on Saturday 7th &  
Sunday 8th March 2014.

Visitors are welcome to come  
along to our club night on any  
Thursday evening from 7:30pm.  
You will be guaranteed a warm  
welcome with plenty of interest  
for all levels of modelling skill or  
just the opportunity to chat with  
members or browse the extensive  
club library.
